

# MVM Bovine Paste

# Product Profile

3/30/2023

## PRODUCT DESCRIPTION

MVM Bovine Paste is a five-strain bacteria blend selected for its unique ability to adapt, remain viable and colonize the GI tract of ruminants. This formula of bovine-specific lactic acid bacteria helps good bacteria regain dominance in the gut during times of stress when beneficial bacteria counts decrease.

## INGREDIENT COMPOSITION

Vegetable Oil, Hydrolyzed Yeast, Sodium Silico Aluminate, Dried Bacillus Subtilis Fermentation Product, Dried Enterococcus Faecium Fermentation Product, Dried Lactobacillus Acidophilus Fermentation Product, Dried Bifidobacterium Longum Fermentation Product, Dried Bifidobacterium Thermophilum Fermentation Product, FD&C Yellow #5, FD&C Blue #1, Potassium Sorbate (preservative).

## GUARANTEED ANALYSIS

- Lactobacillus Acidophilus ..... 10 million cfu/gm
  - Bifidobacterium Thermophilum ..... 10 million cfu/gm
  - Enterococcus Faecium ..... 10 million cfu/gm
  - Bacillus Subtilis ..... 10 million cfu/gm
  - Bifidobacterium Longum ..... 10 million cfu/gm
  - Total Microorganisms (min) ..... 50 million cfu/gm
- CFU=Colony Forming Units

## FEEDING DIRECTIONS

Each click provides approximately 7 grams of product. Administer 1-2 clicks per animal. Repeat dosages as necessary.

## PHYSICAL CHARACTERISTICS & HANDLING

A dark brown/ paste.

- Shelf Life: 24 months from date of manufacture
  - Store in a cool place protected from light and moisture.
  - Keep out of reach of children.
- Caution: Follow Label Direction

## ORDERING & TECHNICAL INFORMATION

- Packaging: 60-gram and 300-gram tubes
- Customer Service: 208.735.2120
